1.  YEH Shao-wan (葉紹文) and five other Chinese Communist representatives left Kirin to attend a conference with representatives of the North Korean government. The conference was held in Pyongyang (125-44, 39-01), Korea and lasted from 25 to 30 June.

2. The representatives agreed upon the following terms:

- (1) Five divisions from North Korea would be sent to the Antung (124-23, 40-09) area to assist the Chinese Communist forces in exchange for 300 tons of fur which the Chinese Communists would send to Hunchun (130-22, 42-52) for shipment to North Korea.  Comment. According to information available to this office, the North Korean People's Army consists of two divisions stationed in North Korea and a probable 3 Division stationed in Manchuria. It is possible that the source meant five smaller army units rather than five divisions.)
- (2) The Korean divisions would be in Antung by 20 July and the fur would be delivered to the Hunchun railroad station by 15 July.
- (3) With the exception of a few units to be assigned to special services, the Korean troops would be under the command of Chinese Communist authorities.
- (4) The Chinese Communists would replace equipment of the Korean troops when necessary and would not expect remuneration for any supplies given the Korean troops.
